

REMARKS

In the above-referenced Office Action, the Examiner requested an election of species from the following groups:

<u>Species</u>	<u>Figures</u>	<u>Claims</u>
I	2-5	1-34, 36-43, 62-71
II	6A, 6B	1, 35

In response, the applicants elect the species of Group I without traverse. Non-elected claim 35 has been withdrawn.

Accordingly, the applicants have elected to begin prosecution with examination of claims 1-34 and 36-71, which read on the elected species.

Upon allowance of the generic claims, applicants expressly request consideration of claims to additional species which are written in dependent form or which otherwise include all the limitations of the allowed generic claims.

No fees are believed due with this communication. However, the Commissioner is hereby authorized and requested to charge any deficiency in fees herein to Deposit Account No. 50-0665.

Respectfully submitted,
Perkins Coie LLP
